

## Cómo enviar artículos de CINVESTAV para publicación en acceso abierto con Springer Nature

Nov 2023

TRANSFORMATIVE

# Publicación em Acceso Abierto

# 1

# Que és un acuerdo de publicación en acceso abierto?

---

- *Es un acuerdo entre instituciones (bibliotecas/consorcios/sociedades) y editoriales que cubre los costos de publicación en acceso abierto para los autores afiliados.*
- *Los acuerdos ayudan a las instituciones a gestionar el acceso abierto y reducir la administración, al mismo tiempo que proporcionan un proceso de publicación más ágil para los autores.*

# Acuerdo de acceso abierto CINVESTAV – Springer Nature

---

Si es autor de correspondencia afiliado a CINVESTAV, puede publicar su artículo en **acceso abierto con tarifas cubiertas** en las revistas híbridas de *Springer, Palgrave, Adis* y en *Academic Journals* en nature.com.

Además, disfruta de **acceso completo** a todo el contenido de las revistas de suscripción de Springer, Adis, Palgrave y Academic Journals.

*Este acuerdo estará vigente hasta el 31 de diciembre de 2024.*

[Editorial board](#) [Aims & scope](#) [Journal updates](#)

*Biotechnology Letters* is a Transformative Journal (TJ). When research is accepted for publication, authors can choose to publish using either the traditional publishing route OR via immediate gold Open Access.

Funding available! See: [Open Access Publishing](#)

The world's leading rapid-publication primary journal focused on actual or potential applications of biological reactions affected by **microbial, plant or animal cells** and biocatalysts derived from them. Coverage includes all relevant aspects of genetics and cell biochemistry, of process and reactor design, of pre- and post-treatment procedures, and of manufacturing or service operations. The aim of the editors is to publish useful and informative results that will be of value to other workers in related fields. The emphasis is on novelty and immediacy. — [show all](#)

# Paso 2 – Submit manuscript

The screenshot displays the Springer website for the journal *Biotechnology Letters*. At the top right, the 'Username' field is circled in red. Below the journal title, there are navigation links for 'Editorial board', 'Aims & scope', and 'Journal updates'. A central text block describes the journal as a Transformative Journal (TJ) and provides information on funding availability, including a link to 'Open Access Publishing'. Below this, a detailed paragraph describes the journal's focus on microbial, plant, and animal cells. The 'Editors-in-Chief' and 'Publishing model' sections are also visible. On the right side, a 'For authors' section contains links for 'Submission guidelines', 'Language editing services', 'Ethics & disclosures', 'Open Access fees and funding', and 'Contact the journal'. A prominent blue 'Submit manuscript' button is highlighted with a red rectangle. At the bottom right, there is a 'Working on a manuscript?' section with a 'Learn more' link. The Springer Nature logo is located at the bottom right of the page.

*Please upload your manuscript file/s now.*

*For first (initial) submissions, we require a single manuscript file as a minimum. While full source files for LaTeX submissions are encouraged, we understand that you may prefer to submit only a PDF at this stage.*

*This journal has a policy concerning the deposit of any data that supports research findings, in a public repository. The 'data deposition information item' should contain the name of the used repository and a web link to the datasets. Please see further guidance and editorial policy compliance requirements and options, specific to this journal, at the button 'Instructions For Authors', in the header bar.*

# Artículo aceptado!

**SPRINGER NATURE**

---

Dear Dr. Charles Darwin

We're delighted that your article has been accepted for publication:  
'The zoology of the voyage of H.M.S. Beagle'

**You now need to:**

- Provide details to help us check whether your article processing charge (APC) is covered by your institution or a journal partner.
- Read and accept your publishing agreement.
- Make a payment if the APC is not covered.

If you have been given an APC waiver or discount this will be taken into account.

**Continue with publishing your article:**
